# ABOUT US

**"We have a simple goal - to be the leading quality distributor of compact equipment across the South of Britain."**

**Charlotte Barford, MD**

Formed in 1987, Clive Barford Limited is the leading, privately owned, compact equipment specialist in Southern Britain for sales, servicing and parts.

Our 7 depots cover from Land's End to Sheerness and from Beachy Head to The Welsh Valleys, employing over 150 people, including over 40 skilled service engineers.

We are passionate about everything that we do. Our experienced local teams combine reliability and speed of response with competitive prices and professional advice to provide our customers with outstanding value.

We are a total quality management company and the world's leading manufacturers have awarded us main supplier status. We have BS EN ISO 9001:2015 certification at every one of our depots and for each part of our business including our administration and accounts department.

**"Our parts people know exactly what you need, and how to get it"**

CBL Central Parts provides a fast and reliable spare parts service and, as recognised dealers for the leading brands of compact equipment, we can supply genuine parts at competitive prices. Our experienced and trained parts personnel will help and advise you on your exact requirements. We stock thousands of parts here at CBL Central Parts ready for dispatch.

**Our opening hours are Monday to Friday 8am-5pm.  
Closed on bank holidays.**
