

EQUIPMENT SALES BROCHURE

2024

www.cbl.co.uk

About Us

"We have a simple goal – to be the leading quality distributor of compact equipment across the south of Britain."

Charlotte Barford, MD

Established in 1987, Clive Barford Limited is the leading, privately owned compact equipment specialist in Southern Britain for sales, servicing, hire and parts.

Our 7 depots cover from Lands End, Cornwall to Sheerness and from Beachy Head to The Welsh Valleys, employing over 150 people, including over **50 skilled engineers.**

We are passionate about everything that we do. Our experienced local teams combine **reliability and speed of response** with **competitive prices** and professional advice to provide our customers with outstanding value.

We are a total quality management company. The world's leading manufacturers have awarded us **Main Supplier Status**. We have BS EN ISO 9001:2015 certification at each of our depots and for every part of our business, including our administration and accounts department.

"We have the expertise and the backup, supplying you with equipment from world leading manufacturers."

Our experienced sales team can give you all the advice you need – they'll look at the particular task then specify the most appropriate equipment. Our established reputation for **quality service** means we have achieved **main dealership** status for the leading manufacturers.

TAKEUCHI®

Founded in 1963, Takeuchi raised the global standard by creating the world's first 360° compact excavator in 1971 (TB1000). Arriving in the UK in 1996, the Red and Grey brand has become a firm favourite with plant hire and construction plant operators. From World First to World Leader, Takeuchi continues to innovate year after year with new products to meet the needs of the construction industry. Now with a range of 25 compact mini excavators, Takeuchi have a machine in every weight class.

Mini, Midi & Full Size Excavators

TB210R MICRO EXCAVATOR

1180kg weight
Max Dump Height - 2120mm
Max Dig Depth - 1755mm

TB216 MINI EXCAVATOR

1.7 tonne weight
Max Dump Height - 2705mm
Max Dig Depth - 2390mm

TB217R MINI EXCAVATOR

1.7 tonne weight
Max Dump Height - 2545mm
Max Dig Depth - 2390mm

TB225 MINI EXCAVATOR

2.2 - 2.5 tonne weight
Max Dump Height - 2875mm
Max Dig Depth - 2580mm

TB325R MINI EXCAVATOR

2.2 - 2.5 tonne weight
Max Dump Height - 2775mm
Max Dig Depth - 2540mm

TB230 MINI EXCAVATOR

3 tonne weight
Max Dump Height - 3230mm
Max Dig Depth - 2835mm

TB235-2 MINI EXCAVATOR

3.5 tonne weight
Max Dump Height - 3595mm
Max Dig Depth - 3245mm

TB335R MINI EXCAVATOR

3.8 tonne weight
Max Dump Height - 3530mm
Max Dig Depth - 3205mm

TB240 MINI EXCAVATOR

4 tonne weight
Max Dump Height - 3825mm
Max Dig Depth - 3465mm

TB350R MINI EXCAVATOR

5 tonne weight
Max Dump Height - 3945mm
Max Dig Depth - 3575mm

TB250-2 MINI EXCAVATOR

5 tonne weight
Max Dump Height - 4045mm
Max Dig Depth - 3780mm

TB257FR MIDI EXCAVATOR

6 tonne weight
Max Dump Height - 23890mm
Max Dig Depth - 3895mm

TB260 MIDI EXCAVATOR

6 tonne weight
Max Dump Height - 4220mm
Max Dig Depth - 3895mm

TB370 MIDI EXCAVATOR

7 tonne weight
Max Dump Height - 4545mm
Max Dig Depth - 4085mm

TB280FR MIDI EXCAVATOR

8.5 tonne weight
Max Dump Height - 4480mm
Max Dig Depth - 4540mm

TB290-2 MIDI EXCAVATOR

8.5 tonne weight
Max Dump Height - 5260mm
Max Dig Depth - 4580mm

TB395W WHEELED EXCAVATOR

10 tonne weight
Max Dump Height - 3530mm
Max Dig Depth - 3205mm

TB2150 EXCAVATOR

15 tonne weight
Max Dump Height - 6040mm
Max Dig Depth - 5225mm

TB2150R EXCAVATOR

15.6 - 16.2 tonne weight
Max Dump Height - 7140mm
Max Dig Depth - 6060mm

TCR50-2 TRACKED DUMPER

6.5 tonne weight
Max Loading Weight - 3700kg
Gradeability - 30°

Thwaites

Dumpers

A family owned business since 1937, Thwaites designed and manufactured the very first site dumper in 1957 providing a breakthrough design and machine which went on to revolutionise construction sites and become a staple solution to this day.

Thwaites dumpers are consistently at the forefront of safety, design and development. Thwaites offer a range of quality, reliable site dumpers, from 1 tonne to 9 tonne capacity. When you choose Thwaites you are safe, compliant, competitive and part of an 80-year heritage of owners and operators who love their Thwaites dumper.

**1 TONNE HI-TIP
HYDROSTATIC DUMPER**

Max Safe Load - 1000kg
Unladen Weight - 1295kg
Load-Over Height - 1913mm

**1 TONNE POWERSWIVEL
DUMPER**

Max Safe Load - 1000kg
Unladen Weight - 1300kg
Skip Loading Height - 1256mm

**3 TONNE FORWARD TIP
DUMPER**

Max Safe Load - 3000kg
Unladen Weight - 2080kg
Engine Torque - 107Nm

**3 TONNE POWERSWIVEL
DUMPER**

Max Safe Load - 3000kg
Unladen Weight - 2250kg
Engine Torque - 107Nm

**6 TONNE FORWARD TIP
DUMPER**

Max Safe Load - 6000kg
Unladen Weight - 4200kg
Clearance Diameter - 12.6m

**6 TONNE POWERSWIVEL
DUMPER**

Max Safe Load - 6000kg
Unladen Weight - 4540kg
Engine Torque - 405Nm

**6 TONNE FORWARD TIP
CAB DUMPER**

Max Safe Load - 6000kg
Unladen Weight - 4740kg
Engine Torque - 405Nm

**9 TONNE FORWARD TIP
DUMPER**

Max Safe Load - 9000kg
Unladen Weight - 4870kg
Engine Torque - 405Nm

**9 TONNE FORWARD TIP
CAB DUMPER**

Max Safe Load - 9000kg
Unladen Weight - 5110kg
Clearance Diameter - 17.6m

Please note, other models and transmissions are available, please contact your local CBL depot for more information.

BOMAG
FAYAT GROUP

Compactors & Rollers

Since 1957 BOMAG has used continuous innovations and technical know-how to literally “pave the way” of progress. With a focus on precision and durability, compaction equipment from BOMAG performs outstandingly at all undertakings from landscaping to the entire range of road construction and heavy dam construction.

**BVP10/35 SINGLE
DIRECTION VIBRATORY
PLATE COMPACTOR**
(WATER TANK OPTIONAL)

Weight - 65kg
Performance - 2.6kW
Working Width - 350mm

**BVP10/36 SINGLE

Weight - 2750kg
Performance - 24.6kW
Working Width - 1200mm

**BW135 AD-5 ASPHALT
ROLLER**

Weight - 4000kg
Performance - 33.3kW
Working Width - 1300mm

**BMP8500 REMOTE CONTROL
MULTIPURPOSE ROLLER**

Weight - 1595kg
Performance - 14.5kW
Working Width - 850mm

Atlas Copco

Compressors, Generators, Pumps, Breakers & Pneumatic Tools

Since 1873, the Atlas Copco Group has provided innovative technology, products, services and solutions. Their offerings include high quality compressors, pneumatic tools, petrol, hydraulic and pneumatic breakers, generators, pumps and lighting towers. Embracing the motto of sustainable productivity, Atlas Copco focuses on creating breakers and hammers that minimise vibration and noise, ensuring efficient and enduring performance over many years.

TEX 05PE PNEUMATIC VIBRO-REDUCED CHIPPING HAMMER

Weight - 6.5kg
Length - 450mm
2640 blows/min

TEX 09PE PNEUMATIC VIBRO-REDUCED CHIPPING HAMMER

Weight - 10.5kg
Length - 560mm
1800 blows/min

TEX 12PE PNEUMATIC VIBRO-REDUCED CHIPPING HAMMER

Weight - 12kg
Length - 590mm
1620 blows/min

RTEX PNEUMATIC CONCRETE BREAKER

Weight - 25kg
Length - 780mm
840 blows/min

TEX 230PE PNEUMATIC MEDIUM BREAKER

Weight - 27kg
Length - 670mm
1320 blows/min

COBRA PROe PETROL BREAKER

Weight - 24-25kg
Length - 877-927mm
1440 blows/min

XAS 48 PORTABLE AIR COMPRESSOR

Weight - 500kg
Fuel Type - Diesel
Max Pressure - 100psi

XAS 88 PORTABLE AIR COMPRESSOR

Weight - 650kg
Fuel Type - Diesel
Max Pressure - 100psi

LP 9-20 E HYDRAULIC POWER PACK & LH 230 GUN

Weight (incl oil) - 68kg
Power - 5.5kW
Maximum pressure - 150 bar

Breakers, Multi-Grabs & Attachments

With ground-breaking technology, Epiroc develops and supplies advanced and safe equipment. Offering a wide array of attachments including hydraulic breakers, compactors, and crushers, Epiroc delivers a comprehensive selection tailored to boost efficiency and reduce downtime. Epiroc's breakers provide substantial impact, energy and dependability, guaranteeing superior performance even in challenging conditions.

**SB52 HYDRAULIC
BREAKER**

Service Weight - 55kg
Working Length - 255mm
Weight Class - 0.7 - 1.1 tonne

**SB102 HYDRAULIC
BREAKER**

Service Weight - 90kg
Working Length - 250mm
Weight Class - 1.1 - 3 tonne

**SB152 HYDRAULIC
BREAKER**

Service Weight - 140kg
Working Length - 280mm
Weight Class - 1.9 - 4.5 tonne

**SB202 HYDRAULIC
BREAKER**

Service Weight - 200kg
Working Length - 330mm
Weight Class - 2.5 - 6 tonne

**SB302 HYDRAULIC
BREAKER**

Service Weight - 300kg
Working Length - 440mm
Weight Class - 4.5 - 9 tonne

**SB452 HYDRAULIC
BREAKER**

Service Weight - 440kg
Working Length - 470mm
Weight Class - 6.5 - 13 tonne

**SB552 HYDRAULIC
BREAKER**

Service Weight - 520kg
Working Length - 495mm
Weight Class - 9 - 15 tonne

MG1000 MULTI-GRAB

Weight Capacity - 1150kg
Max Jaw Opening - 1900mm
Weight Class - 12 - 20 tonne

MESSERSI

Tracked Dumpers

Messersi was established in 1957, and boosted by the strong entrepreneurial ability of the founders and the expanding construction market, the company grew quickly. Renowned for their exceptional performance in various environments, from flat surfaces to challenging landscapes, Messersi tracked dumpers deliver reliability with a perfect blend of cutting-edge technology.

Please note; A wide variety of configurations are available for most models of Messersi tracked dumpers including, High Tip, Self Loading, PTO, Folding Tank Skips, Swivel Skips and more.

**TC50 MINI DUMPER
(fits through standard door)**

Weight Capacity - 500kg
Engine Power - 4.85kW
Width - 660mm

**TC50D MINI DUMPER (DIESEL)
(fits through standard door)**

Max Payload - 500kg
Engine Power - 4.9kW
Width - 660mm

TC95D TRACKED DUMPER

Weight Capacity - 950kg
Engine Power - 9.6kW
Width - 800mm

**TC120e FULLY ELECTRIC
TRACKED DUMPER**

Max Payload - 800kg
Engine Power - 4kW
Width - 800mm

**TC150D TRACKED DUMPER
(DIESEL)**

Max Payload - 1500kg
Engine Power - 15kW
Width - 1100mm

TC350D TRACKED DUMPER

Max Payload - 3500kg
Engine Power - 48.6kW
Width - 1800mm

TC550D TRACKED DUMPER

Max Payload - 5000kg
Engine Power - 85.9kW
Width - 2200mm

engcon[®]

Tiltrotators

Since Engcon was founded in 1990, the business has been centred around product development and end user focus – aspects that, among other things, resulted in several awards and continues to be important pillars for the company's future development. Engcon is a world-leading manufacturer of tiltrotators and associated attachments which enhance the efficiency, flexibility, profitability, safety and sustainability of excavators. They offer a unique tiltrotator system with the ability to tilt and rotate 360 degrees, transforming the excavator into a tool carrier that can replace other machines.

EC02 TILTROTATOR

Unit Weight - 65kg
Machine Weight - 1.5-2.5 tonne
Tilt (°) - 2x40

EC204 TILTROTATOR

Unit Weight - 116kg
Machine Weight - 2-4 tonne
Tilt (°) - 2x45

EC206 TILTROTATOR

Unit Weight - 170kg
Machine Weight - 4-6 tonne
Tilt (°) - 2x45

EC209 TILTROTATOR

Unit Weight - 287kg
Machine Weight - 6-9 tonne
Tilt (°) - 2x45

EC214 TILTROTATOR

Unit Weight - 385kg
Machine Weight - 9-14 tonne
Tilt (°) - 2x45

GH1000L PALLET FORK

Unit Weight - 141kg
Machine Weight - 2-6 tonne
Fits Hitch - S40

**GDR40 - GDR70
DETACHABLE GRIPPERS**

Unit Weight - 45-169kg
Machine Weight - 6-30 tonne
Fits Hitch - S40, S45, S60, S70

**MG12 - MG20 GRAPPLE
SAWS**

Unit Weight - 315-560kg
Machine Weight - 7-26 tonne
Fits Hitch - S45, S60, S70

**GR05 - GR30 INTEGRATED
GRABS**

Unit Weight - 50-148kg
Max Grab Width - 350-1080mm
Max Load - 1000-2200kg

Trailers

TDP2813-27 TOWMATE TRAILER (BEAVER TAIL)

Payload - 2157kg
 Max Gross Weight - 2700kg
 Overall Length - 4945mm

TDP2813-27FR TOWMATE TRAILER

Payload - 2115kg
 Max Gross Weight - 2700kg
 Overall Length - 4945mm

TDP3117-35 TOWMATE TRAILER

Payload - 2795kg
 Max Gross Weight - 3500kg
 Internal Length - 3100mm

INDESPENSION AD2000 TRAILER

Payload - 2160kg
 Max Gross Weight - 2700kg
 Internal Length - 2490mm

INDESPENSION PL27094 TRAILER

Payload - 2193kg
 Max Gross Weight - 2700kg
 Internal Length - 2500mm

INDESPENSION A2800 TRAILER

Payload - 2740kg
 Max Gross Weight - 3500kg
 Internal Length - 3050mm

Light Equipment

NORTON CLIPPER CM501 PETROL BENCH SAW

Cutting Depth - 195mm

Weight - 165kg

Available in 110v, 3 Phase & Petrol.

NORTON CLIPPER CM42 TILE SAW

Width - 620mm

Max Blade Diameter - 400mm

Max Cutting Depth - 135mm

NORTON CLIPPER CS451 FLOOR SAW

Water Tank Capacity - 25L

Floor Saw - 450mm

Petrol, diesel & electric options available.

**STIHL TS410 COMPACT
CUT-OFF SAW**

Supply Voltage - 4.8kW
Cutting Depth - 195mm
Weight - 165kg

**STIHL TS420 COMPACT
CUT-OFF SAW**

Width - 620mm
Max Blade Diameter - 400mm
Max Cutting Depth - 135mm

**HUSQVARNA K770 350MM
CUT-OFF SAW**

Output Power - 3.7kW
Blade Diameter - 350mm
Cylinder Displacement - 73.5cm³

**HUSQVARNA K770 WITH
OIL GUARD**

Output Power - 5hp
Blade Diameter - 350mm
Max Cutting Depth - 127mm

**LB480 110V SUBMERSIBLE
WATER PUMP**

Max Capacity - 225L/min
Bore - 50mm
Motor Output - 0.48kW

**LB800 110V SUBMERSIBLE
WATER PUMP**

Max Capacity - 320L/min
Bore - 50mm
Motor Output - 0.75kW

**HONDA WB20 WATER
PUMP**

Output Capacity - 620 L/min
Dry Weight - 21kg
Engine Type - 4 Stroke

**HONDA EU22i PETROL
INVERTOR GENERATOR**

Power - 1800w
Weight - 21.1kg
Capacity (Petrol) - 3.6L

**ATLAS COPCO P3000
PORTABLE GENERATOR**

Weight - 52kg
AVR Electric Start
11 Hours Before Refuelling

DIGGA PDX-3 AUGER DRIVE UNIT

Max Power - 25kW
Rec Flow Range - 30-55LPM
Overall Length - 579mm

DIGGA A4 AUGER WITH MFT TEETH

Flights (lead) - 8mm
Hub - 65mm
Overall Length - 1200mm

DIGGA MINI BIGFOOT TRENCHER

Max Cutting Width - 200mm
Weight - 198kg
Width - 989mm

STEPHILLS 3400HM OPEN FRAMED GENERATOR

Output - 3.4kVA/2.7kW
Fuel Tank - 3.1L (Petrol)
Weight - 42kg

STEPHILLS SE2700 OPEN FRAMED GENERATOR

Output - 2.7kVA/2.2kW
Fuel Tank - 3.6L (Petrol)
Weight - 34kg

WINGET 100T DIESEL SITE MIXER

Unmixed Capacity - 150L
Drum Speed - 22 rev/min
Machine Weight - 395kg

CBL Used Equipment

At CBL, we can purchase your trade in machine and supply you with quality used machines. As well as part exchange machines, we are pleased to make an offer for any surplus of plant machinery you wish to dispose of.

Our Used Equipment list is updated constantly and a weekly update is emailed to our contact list and posted on our main website (www.cbl.co.uk).

We offer a range of services on used-equipment from a simple check over to a full refurbish.

Please contact our Used Equipment Department if you wish to find out more.

Used Equipment Manager, Martin Bell - 07973 874036
martin.bell@cbl.co.uk

CBL Service

CBL has a team of over 50 highly skilled service engineers at our 7 depots located across the south of the UK, who can service and maintain an array of plant machinery and equipment across our sales range.

Whether you require on-site servicing, repair or full workshop overhaul/rebuild, CBL can meet your needs. Each depot has manufacturer trained engineers on-site and fully equipped workshops with OEM diagnostic hardware and software.

All of our depots can offer you 12-month excavator and telehandler safety inspections and check your equipment to provide a valid report of Thorough Examination.

CBL Full Service Contract

Our option of a Full Service Contract guarantees your equipment is regularly serviced and optimises productivity by minimising breakdowns. You can also be sure your equipment meets all the relevant safety standards.

CBL Tracking Option

With the help of CBL Track telematics systems, servicing can be carried out for a fleet of machines or just one, with automatic checks based on hours run or date for ease and simplicity.

Fixed Price Servicing is available on all manufacturers CBL supply, please call your local depot for more information on the matter.

CBL Finance

We can offer a range of finance options with straightforward plans, you can be sure to find flexible finance solutions at competitive rates from CBL. We can also offer balloon payments on some of our finance options. For more tailor made options we offer in person visits so we can get you exactly what you need.

Please contact your local sales representative who will be happy to put you in touch with our finance specialist.

CBL Hire

From diggers to dumpers, rollers to telehandlers, CBL Hire can provide you with the right equipment at the right time at affordable rates. We use world-leading manufacturers in plant machinery, including Takeuchi, Thwaites, Bomag and many more! All equipment is subject to availability at your local depot.

Get in touch with your local CBL Depot today to find out more. (Depot contact numbers are located on the back page of this brochure.)

CBL Parts

Our knowledgeable parts representatives are on-hand to help you with your enquiries, ensuring the right parts arrive to you on time. The experienced team will offer advice on your exact requirements and can provide guidance where needed.

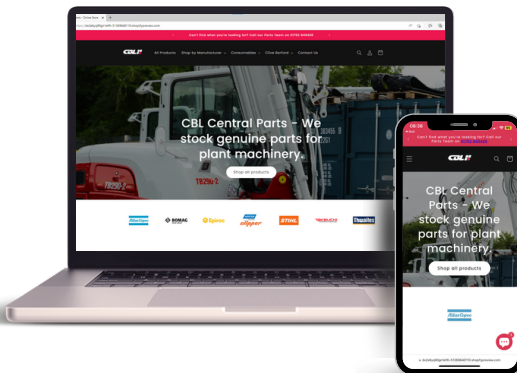

As recognised dealers for industry leading manufacturers of plant machinery, CBL has the ability to supply genuine parts at competitive prices across the board.

We also supply XT Rubber Tracks, made to fit Takeuchi excavators. For further information, please get in touch with our dedicated parts team.
